PORTFOLIO

zerhouniomar.me

ABOUT ME

Full-Stack Web Developer with hands-on experience delivering production web applications for clients, including enterprise **management systems** and **e-commerce platforms**. Skilled in **Laravel, React, Next.js, Vue, Nuxt.js, Node.js**, and modern web technologies. Represented Morocco in **WorldSkills Web Technologies**, strengthening my technical expertise, problem-solving, and communication skills in an international environment. Passionate about building scalable, maintainable, and user-focused applications.

PROFESSIONAL EXPERIENCES

FREELANCE FULL-STACK DEVELOPER (2025/08 – PRESENT)

Developed and delivered custom web applications and websites for multiple clients using Laravel, React, Node.js, Next.js, Vue.js, Nuxt.js, MySQL, and WordPress.

Main achievements :

- Developed a centralized management platform for the OFPPT network.
- Built multiple WordPress/WooCommerce e-commerce websites.
- Designed REST APIs.
- Implemented authentication and authorization.
- Built responsive interfaces.
- Worked directly with clients from requirements gathering to deployment.

WORLDSKILLS WEB TECHNOLOGIES – MOROCCO REPRESENTATIVE

- Competed in the WorldSkills international training program.
- Solved real-world web development challenges under time constraints.

DEVELOPMENT INTERNSHIP- CHU OUJDA (01/2025 - 02/2025)

- Creation of an internal training website for hospital staff
- Technical assistance and user support
